

Mission

Coast Rehabilitation Services provides compassionate, competent, consistent individualized support to persons with disabilities as they pursue their own goals for personal and economic independence, full inclusion the life of the community and personally satisfying lives.

Vision

All persons with disabilities are welcomed and valued in the communities in which they live, work and play.

Values

In living out its Vision and Mission, Coast Rehabilitation Services is guided by the following core values;

- We value **Person-centered services** driven by the individual wants, needs and desires of the person we support;
- We value **integrity**, internal and external relationships founded on trust, openness, and mutual respect and honesty in all communication and business practices;
- We value **excellence** in all aspects of service, fostering opportunities for growth in staff and supported persons in healthy, safe, and culturally sensitive environments;
- We value **accountability** to the public, to regulatory agencies, to families, and to supported persons in all fiscal and program decisions;
- We value **connections** with family, neighborhood and community as a vital source of natural supports and life-enriching opportunity for those we serve.
